Kelly Fischer : Playboating the Nantahala River: An Entry Level Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Playboating the Nantahala River: An Entry Level Guide:

2 of 2 people found the following review helpful. Great reference for Nantahala and Tuckaseigee By Larry Ausley Great information on the Nantahala and Tuckaseigee. It makes a good planning guide for instruction on either river. 6 of 6 people found the following review helpful. Excellent beginners guide to a beautiful river! By A Customer After canoeing the Nantahala recently, I bought Kelly's book to see if there was something I may have missed along the way. I wish I had bought the book before my trip! He lays out each section and explains the hazards and key strategies for each rapid. He explains the river so even a lay person can understand how you should approach

this great river. I highly recommend this book for anyone who plans a trip down the Nantahala "Land of the Noon Day Sun".

An entry level playboater's tour of the western Nantahala River, with a section on the nearby Tuckasegee River.
