Andrew G Harris : Plumas National Forest Trout Fishing Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Plumas National Forest Trout Fishing Guide:

0 of 0 people found the following review helpful. Five StarsBy Ryan StephensonGreat book. the product arrived fast, and it is just what I expected.0 of 0 people found the following review helpful. Five StarsBy CustomerExcellent guide for the region! Will be using this for many years to come.1 of 1 people found the following review helpful. Excellent little book full of local expertiseBy Mark ZemkeGreat little addition to my collection of useful books with great local

information ... the North Fork of the Feather River has made a very nice comeback after CR regulations started applying to the entire river from Belden to Poe a few years ago ... lots of detailed info. on feeder creeks too ...

Book by Harris, Andrew G
