Lorene Keitch : Pockets of Change before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pockets of Change:

Pockets of Change is a powerful and thought-provoking collection of stories and photos that will inspire you to want to be part of a global movement of compassion and justice. The book takes readers on a journey around the world to see how God is working through individuals and organizations to affect change. The dimensions of this coffee-table style book, beautifully printed in full colour, are 8.5" x 8.5", 176 pages. All proceeds will continue to enable the ministry of Hungry For Life and their partners to tell the stories of changed lives worldwide. Please visit the website for more information on the project and to get a preview of the book. www.pocketsofchange.org
