William E. Hill : Pony Express Trail before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pony Express Trail:

0 of 0 people found the following review helpful. This book is excellent! It smacks of the in-depth research that the ...By Shannon Weil This book is excellent! It smacks of the in-depth research that the author compiled and organized. Yes, the Pony Express has spawned dozens of books over the years and many of them live in my own library. Finding a new slant on the well-told stories is the trick for any author and William E. Hill has done a fine job bringing

"Yesterday and Today" into one fine book. It's a good read and reference publication. Thanks for your hard work. 1 of 1 people found the following review helpful. Most thorough and detailed depiction of the original Pony Express ...By Raymond Kostiuk Most thorough and detailed depiction of the original Pony Express history ,,pictures and graphics along with anecdotes lend to real interesting insight to the eposure of the glamour and hardships involved in running the Pony Express routes, trails, riders, stations .1 of 1 people found the following review helpful. Five StarsBy Krystaleducational book

The Pony Express delivered mail across a continent at a critical time and captured the imagination of people around the world. On the 150th anniversary of its founding, William E. Hill tells the story of the Pony Express and takes us on a tour of the two-thousand-mile route, now a National Historic Trail.

"This book is an armchair traveler's delight!" Bob Knecht, Kansas History
