I made the mistake of purchasing a different one, which was missing most of the streets. I wish I had purchased this one to begin with! This contains all of the streets I needed, very detailed, and it's laminated! If you need a map for Portland, and you want it to last, this is the one!

This laminated full color street map of Portland, Oregon, includes schools, parks shopping centers, golf courses, city boundaries, and other useful features. Produced with the latest computer mapping technology, this map is accurate and current Included is an easy to use index listing all streets and selected features. This laminated map is 24 3/4" x 11 1/4" when open and closes to fit in most glove compartments and visors
