**Karen Paterson : Portland Travel Guide: Sightseeing, Hotel, Restaurant Shopping Highlights** before purchasing it in order to gage whether or not it would be worth my time, and all praised Portland Travel Guide: Sightseeing, Hotel, Restaurant Shopping Highlights:

0 of 0 people found the following review helpful. falls short on the quirky and uniqueBy J. SchneiderAs a native

Portlander, I bought this book to offer to our guests from out of town, for the days when we are working and not able to take them around ourselves. I guess we were looking for a sightseeing guide with a more inclusive list of must see/do things. We were a bit disappointed to receive a book that contained three black and white photos, only a handful of suggestions for things to do and see, and mainly consisting of short blurbs with a website link. Not even a mention of Portland's food cart culture. While this book does cover the basic main attractions, it falls short on the quirky and unique categories.

Portland lives in the shadow of the larger Pacific Northwest cities of Seattle and Vancouver but is one of the most overlooked gems in the United States. The city is a leader in progressive thinking including social justice and green values. Portland is the bicycling capital of the United States and a mecca for the outdoor enthusiast.
