Greenlee's Best YetBy LM PampuroPostcards Pearls is an amazing journey that both motivates the reader to take on risk and simultaneously lets the reader know they have the internal power to succeed. This is Greenlee's best book yet as she'll take you around the world and just down the street on

multiple excursions of self discovery. The book is moving, inspiring, and encouraging all at once. Its a must read for anyone who wants to be a better human.0 of 0 people found the following review helpful. It was a great way to start my dayBy venus demarcoWhen I first began reading this book I wanted to devour it all at once. It brought me back to an exciting time in my life when I traveled and often by myself. I will be renewing my passport very soon!I decided to slow down and read a page everyday so I could really be in this special place with Gina and the woman in this book. It was a great way to start my day, and I loved how the Author put her words of wisdom at the end of each page. One of my favorites; "We often mistake letting go for giving up. Knowing the difference between the two can make all the difference in the end."Get your wanderlust on, not just for travel, but LIFE! Great book!3 of 3 people found the following review helpful. This Book May Change Your LifeBy Jeanne M. DursiPostcards and Pearls by Gina Greenlee On the surface, Postcards and Pearls appears to be a collection of vignettes by women who have traveled solo; hence, their "postcards." Enlisting submissions from many friends and combining them with personal anecdotes about her trip around the world, Gina Greenlee uses solo travel as a metaphor for stretching beyond one's comfortable boundaries. The postcards introduce women from diverse family situations, income levels and ages who share a willingness to embark upon solo travel despite their fears and who learn unexpected lessons about themselves and the world as a result.In the words of wisdom Greenlee writes after each story, she crystallizes the symbolic message of each woman's adventure; hence, her "pearls." The stories flow gracefully as readers discover in each story yet another woman overcoming challenges and gaining confidence. In actuality, therefore, the book is a rallying cry for taking those risks that require courage and lead to greater self-empowerment. It's a page turner. You'll love it, and, hopefully, you'll follow its call.Jeanne Dursi, M.A., B.C.C.Writer, Editor, Chaplain, Spiritual Director

Journey with Gina Greenlee and other women travelers as they share 118 "postcards" filled with life lessons learned while traveling on their own. Whether they drove to New Jersey, hopped a freighter to Bora Bora, or biked across Alaska, women from age 20 to 72 discover the joy of honoring their own rhythms, the confidence of knowing they can take care of themselves and the reward of making lasting life changes. Let "Postcards and Pearls: Life Lessons from Solo Moments on the Road" inspire a journey of your own - toward the best life you can imagine.
