Golf Directories Inc. : Preferred Player's Guide To Minnesota Golf (1999 Annual) before purchasing it in order to gage whether or not it would be worth my time, and all praised Preferred Player's Guide To Minnesota Golf (1999 Annual):

Finally, a book that gives you all the golf information that you need along with the discounts that you want, and it's updated completely every year. Preferred Player's Guide to Minnesota Golf (PPG) is a comprehensive listing of all public golf courses and practice facilities within the entire state. Information on the courses include directions and

phone numbers, USGA Ratings and Slope, Yardage from different Tees, Green Fees and Specific Discount information (as seen on the Preferred Players Discount Card). The Guide offers discounts on 137 Golf Courses and 9 Practice Facilities. In addition the PPG lists all Retail Golf/Repair shops. The Guide also contains numerous tips for improving your game.
