Susan Baker : Provincetown Dogs before purchasing it in order to gage whether or not it would be worth my time, and all praised Provincetown Dogs:

0 of 0 people found the following review helpful. Absolutely Wonderful!By J. OdiceI met Susan Baker back in 1972 when I first moved to Provincetown. I have always loved her artwork and have a few pices from way back when ...LOVE this little book!0 of 0 people found the following review helpful. Great Book for AllBy M.

HammerquistSusan Baker is a local Cape Cod artist. I bought this book for myself and three others--it is just terrific, for all ages!2 of 2 people found the following review helpful. It's a Dog's LifeBy Judy BuswickAt first glance, browsers will think this is a children's book. Children will enjoy it, but so will dog lovers and probably anyone who has encountered these dogs on visits to Provincetown. I think you'd buy this book as much for the art work as for the telling paragraphs about each of the 14 dogs featured. The book will appeal to dog owners who enjoy sharing stories of their own pets. They'll wish their 4-legged housemates had been immortalized with the Provincetown cast.

Susan Baker has long been identified with dogs and dog paintings. In this short book, she captures the essence of fourteen of her own and other local dogs in witty and evocative drawings and short commentaries. The distinctive character and prominent behavior of each dog is lovingly elicited in these bold and winsome paintings. With great appeal for all lovers of dogs, Provincetown, and Baker's art, this colorful tribute to Zoomer, Buster, Dogette, Johnny Low-Down, Stogie, Fatso, Skinny, and the others is captivating.

Writer-artist Susan Baker's magical tribute to furry critters she has known is subtly straightforward - incisive, goofy, unsentimental, and heartbreaking. -- House GardenFrom the Publisher8 x 8 trim. 37 color illus. End-papers. LC 99-

044080From the Inside FlapA great town must have great dogs, and Provincetown's canines are champions. In this wonderful book, Susan Baker portrays some of our brave, loyal, playful, and slightly looney citizens with love and charm, and with her own peculiar, perfect genius. Mark Doty Give this book to the doglovers in your life, and to the catlovers to let them know what they're missing. Susan Baker is an American original and Provincetown Dogs is funny, charming, and irresistible. Nancy Willard
