Quality of some photos disappointing, quite a few soft focus pictures. In any case, great keepsake for a Patriots fan! GO PATS!0 of 0 people found the following review helpful. Great review of the Superbowl. Need a big pic of Malcolm Butler!By G. BusherThe book is great but a page on Malcolm Butler should have been included. No doubt the win was a team win but intercepting that pass gave the Pats the victory.1 of 1 people found the following review helpful. I love this. Awesome seasonBy Pats FanAs a New England Patriot fan this was a must have. I love this. Awesome season.

Captures, game-by-game in insightful words and riveting images, the Patriots indomitable march to their fourth Super

Bowl triumph This ultimate comeback story is recounted in PUMPED, produced by the Boston Globe, which has chronicled the teams fortunes for New England sports fans since the teams inception, and never more thoroughly than in 2014. The 2014 Patriots rallied from a humiliating loss in Week 4 which pundits gleefully pointed to as the first sign of their decline to reel off seven straight victories and establish themselves once again as the AFCs top team and the leagues model of consistency. This 128-page book also offers perspective on the Patriots seven previous visits to footballs ultimate spectacle. As PUMPED painstakingly describes it, their road to Title No. 4 was marked by controversy and seeming chaos, but the Patriots cut through the distractions to do their job, again, better than anyone else.
