Drake Hokanson, Carol Kratz : Purebred and Homegrown: Americas County Fairs before purchasing it in order to gage whether or not it would be worth my time, and all praised Purebred and Homegrown: Americas County Fairs:

Visit Americas county fairs as they are vividly evoked through the images, stories, and voices of the people who make them happen4-H kids, fair managers, pie judges, farmers and ranchers, rodeo queens, entertainers, food vendors, midway pitchmen, and assorted local characters. Illustrated throughout with stunning color photographs, Purebred and Homegrown is an affectionate and thoughtful look at the history of county fairs, and their tradition and persistence today, despite the diminished number of Americans who earn their living from agriculture.

Just like a great county fair, this book is vast and overpowering. . . . To read Purebred and Homegrown: America's County Fairs is to smell hot corn dogs and barbecue and to hear the happy screams of kids on roller coasters and the moo of fat oxen in harness.Jane Stern and Michael Stern, authors of Two for the Road: Our Love Affair with American Food
