Mark Blumenthal : Quantico (VA) (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Quantico (VA) (Images of America):

0 of 0 people found the following review helpful. Four StarsBy Michael StevensonI was stationed at quantico in the early 1960s and much of the book brought back memories0 of 0 people found the following review helpful. to see what it looked like back in the day~where he was and what in ...By LBHurleyMy son just came back from Quantico VA OCS! He said this was very interesting, to see what it looked like back in the day~where he was and what in (relation able) . Thank you Shop here good book works here.

Located in the northern Virginia hills just south of our nation's capital, Marine Corps Base Quantico is known

throughout the world as the Crossroads of the United States Marine Corps. *Images of America: Quantico* takes the reader on a visual tour of Quantico's evolution-through World War I, interwar service as an expeditionary base, and the development of the amphibious capabilities made famous by the Marines in World War II. The impact of famous Marines, including Generals John A. Lejeune and Smedley D. Butler, is explored, as is the unique relationship between the base and the Town of Quantico, the only United States city surrounded by a military base.

About the Author Author Mark Blumenthal, with over 20 years of active service in the Marine Corps, including several tours at Quantico, offers a unique perspective of the mission and the Marines of Quantico. Join Blumenthal as he takes the reader into the rich history of this military base through word and image, including many fascinating and previously unpublished photographs.
