Get this book!By SusanEvery trip I've taken following these routes, stopping where she says to stop, have been idyllic. From butterfly farms down dirt roads to a cemetery for circus performers (think headstones shaped like big tops) to rune stones in a forest, it's all here. We would not have some of our favorite memories without this guide. Her recommendations of places to see, food to eat, beds to sleep in, are tried and often

unusual, but always good. I regularly give this book as a gift, and I get the same feedback after the recipient has taken their first (and subsequent) trips. We take weekend road trips with and without children and the dog, and our go-to for planning is this book. I love this book!

This guide details twenty-three itineraries ideal for getaways from the Dallas/Ft. Worth area, including trips to Galveston, San Antonio, Nacogdoches, and South Padre Island.
