Julie Gustafson, Linda Jarrett : Quick Escapes St. Louis: 25 Weekend Getaways From The Gateway City (Quick Escapes Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Quick Escapes St. Louis: 25 Weekend Getaways From The Gateway City (Quick Escapes Series):

3 of 4 people found the following review helpful. Quick Escapes St Louis, 2ndBy Martin E. KoenemanThe material covered in this book was what we expected, and then some. We had seen and used the 1st edition, which influenced our purchase of our own. The second edition gave more information, particularly updated info, which will give the info that we are looking for. It is, in our opinion, very helpful in giving us short trip guides for one or two day travels, particularly info on what may otherwise be overlooked.

Follow the Pony Express, visit a mineral spring, or walk along cobblestone streets with this guide that describes day trips and weekend getaways from St. Louis.

"[A] terrific planning guide for short trips from St. Louis in every direction, complete with where to stay, what to do, where to shop, and what to order.... Outstanding." --David Lancaster, editor, WHERE St. Louis; "Quick Escapes St. Louis is a great getaway resource even if you don't live in St. Louis." --Carol Moczygemba, executive editor, Missouri Life magazine
