John Hayes, Alex Wilson : Quiet Water New Hampshire and Vermont: AMC's Canoe And Kayak Guide To The Best Ponds, Lakes, And Easy Rivers (AMC Quiet Water Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quiet Water New Hampshire and Vermont: AMC's Canoe And Kayak Guide To The Best Ponds, Lakes, And Easy Rivers (AMC Quiet Water Series):

0 of 0 people found the following review helpful. Great book--very helpful guide if paddling with kids
By Julia I was looking for a book that would give me info on great places to paddle in the white mountains with my kids. This was a terrific guide and fit the bill exactly. It includes info about fees you may have to pay for parking, good directions, and the map was good. only criticism: One of the places we went to --Long Pond in Benton, NH--it would have been helpful to note that the road leading up to the boat launch is steep and unpaved, and there didn't seem to be any hiking trails despite that being indicated in the book.

By lovesrain So far this has been a great buy! I have an guide rowing boat and this book, and the ones from Maine and Massachusetts have been great. My only suggestion for future editions is to say in the Take a Note section whether or not these places are dog friendly. We went to Walden pond with the intention of rowing with our very small dog, only to find that dogs were not allowed. We had no difficulty finding a place to row in the same vicinity but it was a little disappointing.
0 of 0 people found the following review helpful. Great Places to Kayak
By Customer I gave this to my son who loves kayaking. He has used it and says it is an excellent guide to the best places to kayak. Clear directions and a handy size. He was very pleased.

Enjoy days of exploring the flat-water lakes, ponds, and rivers of New Hampshire and Vermont with this new guide from AMC's Quiet Water series. Great for families, anglers, and canoeists and kayakers of all abilities, this updated guide features 90 trips, covering the best calm water paddling in New Hampshire and Vermont. Explore the many ponds of Pillsbury State Park and camp overnight, paddle Chocorua lake and view one of New England's most scenic mountains, and rediscover Vermont's scenic Lake Champlain. Each trip includes detailed descriptions of each lake, pond and river, with maps, photographs, paddling routes, and GPS coordinates to help drivers reach the access point for the trip. New to this edition are updated trip descriptions and a useful At-a-Glance Trip Planner featuring helpful information about trip time, distance, difficulty, and special features. Inside you'll also find resources on local outfitters, safety and equipment tips, and complete driving, parking, and put-in instructions.

An excellent guide that should be in the beginner's as well as the most experienced paddler's home. ..[the authors] will save you hundreds of hours by [their] accurate, concise, and detailed descriptions.-Jim Mack, Executive Director, United States Canoe Association
