I got him this book to help us find good places to take the canoe! We have visited many of the locations the guide suggests and have found it extremely helpful! I would highly recommend this book!0 of 0 people found the following review helpful. I HIGHLY RECOMMEND THIS BOOK FOR KAYAKERS IN THIS AREA.By Joe from JerseyGives you great almost unknown beautiful places to kayak. Let's you know what you will see as far as flora, fauna islands and much more, how long the trip may be, how deep the water is, and even how big the lake is if that applies. It also lets you know what the area is like, rural or such and of course how to get there via directions from different areas or using GPS coordinates. I am very glad I got this book and am now planning to do as many of these trips as I can this summer. Get it and have some fun, relaxation and enjoying the wildlife.0 of 0 people found the following review helpful. Useful, Practical Guide to Kayaking Locations in New Jersey.By Judy A. ThomasExcellent guide with description of surroundings, paddling experience, and exact (gps coord if you want them) locations for launching kayak in flat water lakes, rivers, and canals of NJ. Organized as points on a map by regions of the state. Sounds like author has visited each of more than 70 different locations to describe them in detail.

Explore the scenic flat-water lakes, ponds, and rivers of New Jersey and Eastern Pennsylvania with this new guide from AMC's Quiet Water series.
