**Christopher Rayner : Quintessentially Pure** before purchasing it in order to gage whether or not it would be worth my time, and all praised Quintessentially Pure:

Quintessentially Pure is an exquisite coffee-table book presenting the definitive guide to the most luxurious and indulgent spa retreats from across the globe. The book contains stunning imagery, an informative editorial on each spa and region, and handy hints provide personal tips to ensure a unique stay. Each hotel and spa has been chosen for their commitment to the highest standards of luxury and well-being-from big hitting names to more boutique offerings-each destination has earned its position as part of the collection. The book also includes a refined and eloquent editorial on each global region, explaining the origins of specialized treatments and the local products that are famed for being used in the beauty industry in that area.

About the Author Quintessentially Publishing produces coffee-table books that value true luxury.
