**Edwin Munroe Bacon : Rambles around old Boston;** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rambles around old Boston;:

0 of 0 people found the following review helpful. Find "Olde Boston" in this Book From Kindle, RAMBLES AROUND OLD BOSTON By Mark A. Leiter This book gives me a wonderful picture of Boston, in the first decades of the Twentieth Century. This is BEFORE so much construction began, which changed the face of the City. It is before height restrictions were changed, near mid-Century, allowing for skyscrapers. One can still see and imagine colonial and pre- and post colonial Boston. Excellent, if you are a history writer, planning a trip to visit old Boston, or simply interested in Boston. Although written in a style of the early Twentieth Century, the book is an excellent, instructive book. Surprising.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
