Rand McNally and Company : Rand McNally EasyFinder Boston before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally EasyFinder Boston:

3 of 3 people found the following review helpful. Great map, durable and well made.By NutmeggerI love the Easyfinder laminated maps from Rand McNally. They are extremely durable, meaning I won't have to repurchase a map that gets torn, spilled on, or just plain worn out. Even better, I can mark my routes destinations on them with dry erase marker, then just wipe off when no longer needed. Map detail is top notch, as you would expect from Rand McNally. Great for local tag sale bargain hunting or longer trips. 5 stars, definitely my favorite maps. From the Big Dig to the Museum of Science, this is the one that goes in my pocket.

The durable and convenient EasyFinder™ of the Boston area will take all the wear and tear your journey can dish out. The laminated design allows you to mark your route, make notes, then wipe the surface clean for further use.This map features enhanced cartography with: Clearly indicated highways, County Boundaries, Streets, Points of Interest and National Parks.
