Rand McNally : Rand McNally Easyfinder Portland Map (Easyfinder Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally Easyfinder Portland Map (Easyfinder Map):

1 of 1 people found the following review helpful. Better than anything AAA has!By Marc B.W.Clear, large enough print to read, small size and laminated to protect from that Portland weather! Covers the downtown area very well, and I use it on a weekly basis. Even bought one for my fiancee when she relocated to Portland. All our guests who borrow the car find it to be the best map we have on the area. Great map of the area, helps me get around daily.
