We use our GPS or smartphones for driving directions, but when planning a trip, or checking a device's routing against reality, it's helpful to see where you actually are. It seems to me the paper isn't as durable as paper maps I've had in the past, which is the reason for 4 stars.0 of 0 people found the following review helpful. Got us where we were going.By Tom WeatherredAllowed us to find our way to the hotel and the hockey arena and to the bridge to Canada,so it was worth the money.2 of 2 people found the following review helpful. It's OK.By Tom HanifinThe map for the Detroit area was really not that detailed.
