**Rand McNally : Rand McNally Folded Map: Miami Metro** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rand McNally Folded Map: Miami Metro:

1 of 1 people found the following review helpful. Older than you think and not as inclusive By Boca Jim Whilst this map is described as being the January, 2010 edition, the copyright dates on the map's front and back read " 2008 Rand McNally. Portions 2006," so it's older than you think. Additionally, this map now omits that portion of Miami Metro

between Homestead and Cutler Bay, which was included in the 1999 edition [neither the Homestead-Miami Speedway nor the Homestead (Reserve) Air Force Base is shown].
