Rand McNally : Rand McNally Get Around Washington, DC Street Atlas Guide (Get Around (Rand McNally)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally Get Around Washington, DC Street Atlas Guide (Get Around (Rand McNally)):

1 of 2 people found the following review helpful. Maps and suchBy bobbie bThe book was informative, however not well suited for those of us over 40. The main reason that we wanted the atlas was for the street maps. The print is so tiny that even with our "over-40 specs", it is illegible. If this part of the guide is edited and adjusted, it will

significantly improve the quality of an otherwise good guide.
