Rand McNally and Company : Rand McNally New Haven Easyfinder (Rand McNally Easyfinder) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally New Haven Easyfinder (Rand McNally Easyfinder):

They are extremely durable, meaning I won't have to repurchase a map that gets torn, spilled on, or just plain worn out. Even better, I can mark my routes destinations on them with dry erase marker, then just wipe off when no longer needed. Great for local tag sale bargain hunting or longer trips. Map detail is top notch, as you would expect from Rand McNally. 5 stars, definitely my favorite maps. From Wooster Square to Lighthouse Park, from East Rock to West Rock, this is the map that goes with me.
