Rand McNally : Rand McNally Santa Barbara, San Luis Obispo Ventura Counties Easy-To-Read Street Guide (Thomas Guide Santa Barbara/San Luis Obispo/Ventura Counties Street Guide Directory) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally Santa Barbara, San Luis Obispo Ventura Counties Easy-To-Read Street Guide (Thomas Guide Santa Barbara/San Luis Obispo/Ventura Counties Street Guide Directory):

Robinett This format is fairly new for Thomas Guides and is more handy than the traditional longer version. It is complete and lists many of the attractions in the area covered such as parks, schools, libraries, golf courses and other

areas of interest. Like all Thomas Guide map books it is well laid out and easy to use. The inclusion of the counties of Ventura, Santa Barbara and San Luis Obispo in one book is logical since they are compact counties. For those who may be unfamiliar with Thomas Guides, all the map pages have grids for easy reference to specific locations and each page connects to the next map by a numerical reference to the appropriate page. This type of map is better for reference before the trip but is an excellent resource to unfamiliar places.
