From Rand McNally Company : Rand McNally Streets of Phoenix, Arizona before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally Streets of Phoenix, Arizona:

1 of 2 people found the following review helpful. Poor map descriptionBy Illinois travelerThe description said Phoenix and surrounding communities. There is little coverage of the surrounding communities. I ordered two more maps covering the communities I will visit. The second order was placed at the beginning of October with a ten day delivery. It's the end of October and the maps have never arrived. I'll be asking for my money back.
