Rand McNally and Company : Rand McNally Streets of Wichita, KS before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally Streets of Wichita, KS:

1 of 1 people found the following review helpful. Detailed Street Map for Wichita and Surrounding AreaBy Caroline StoebuckBought this for a gift for my elderly parents who grew up in Wichita and talk non-stop about where everything is/was when they were growing up. It helps them find what streets intersect with each other but at the same time show how much it has grown since they moved away for good in 1956 - 54 years ago! The price of it is priceless for them to relive their childhood now that they're in their 80s. Visiting Wichita in their memory is like going back to "Bountiful" one more time!
