Rand McNally : Rand McNally Worcester Central Massachusetts street guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally Worcester Central Massachusetts street guide:

0 of 0 people found the following review helpful. Not what we expectedBy TravelerWe had seen Rand McNally street guides that were pretty comprehensive so we were excited to find this one at such a good value. We should have known it was too good to be true! It does not contain many of the areas we are interested in northwest of Worcester and southeast of Worcester. So buyer's remorse is the best we can say!

This is an example product description.
