Randall Gabrielan : Red Bank Volume II (NJ) (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Bank Volume II (NJ) (Images of America):

Residents of Red Bank, one of New Jersey's best known shore towns, greeted the publication of a photographic history of their town with tremendous enthusiasm in 1995. For the first time, significant people and events in the town's past were celebrated in a vivid record available to all. The author of that volume, Randall Gabrielan, has produced an all-

new second book on the town that incorporates many important images reluctantly edited from the first work and others newly uncovered. In his second Red Bank volume in as many years, Mr. Gabrielan seeks to deepen the view presented in the earlier work and expand the scope of his study. This volume also includes a separate chapter on the West Side, presents a closer look at the influence of the railroad, and extends an examination of Broad Street's changing face."
