Join award-winning photographer John Snell in enjoying the scenic beauty of the Red River Gorge, located in the Daniel Boone National Forest of eastern Kentucky. John's photographic artistry presents the natural wonder of the gorge in all seasons, including its stunning sandstone arches, towering cliffs, rivers, streams, and trees, plus the many flowering plants and animals that call it home. Red River Gorge My Second Home, is the perfect way to reflect and appreciate one of Kentucky's most wonderful treasures. "

The quality of a great nature photographer is one who can capture the essence of a moment, whether it is a vista of a sweeping landscape or a close-up view of frozen ice patterns on a pond. John Snell is one of those great nature photographers. Combining his passion for nature and his skill as an extraordinary photographer, John captures moments that convey a true sense of place. --Jim Clark, Contributing Editor, Outdoor Photographer Magazine Nature
