Diane Brogan : Red Rock Canyon: A travel guide for Baby Boomers before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Rock Canyon: A travel guide for Baby Boomers:

A Baby Boomers Guide to Red Rock Canyon is a picture book showing the beauty and the accessibility to this fascinating place. It outlines what is available for you to experience in real life or from your armchair. It may be a

guide for you or a gift for others.
