Babette Gallard, Paul Chinn : Reflections - A Pictorial Pilgrimage on the via Francigena before purchasing it in order to gage whether or not it would be worth my time, and all praised Reflections - A Pictorial Pilgrimage on the via Francigena:

A modern-day pictorial journey along the 2000 kilometres from Canterbury to Rome. "Reflections" records the cultural, historical and spiritual elements of the ancient pilgrimage route, providing a unique perspective normally only available to those who have the time and inclination to find it.
