An ancient path - Pilgrims from all over the world have walked the Camino de Santiago for centuries, following the many paths to Santiago de Compostela and the tomb of St James. Regardless of whether your pilgrim's journey is for religious, spiritual or cultural reasons, the meditative nature of the Camino offers the perfect landscape in which to dedicate contemplation. Pilgrims follow the path amidst the villages, towns, rivers, mountains and fertile valleys that have changed the lives of millions of pilgrims who walked before them. Use this journal to record your inner and outer thoughts and experiences as you travel your own pilgrimage route. It is true that the Camino will change your life, and your reflections and meditations in this journal will help guide you along your life long after your journey has ended. Buen Camino!
