Adc : Regional Northern Virginia: Street Map Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Regional Northern Virginia: Street Map Book:

Read EVERYTHING Very Very Carefully!!!By Pen NameWhile the Northern Virginia Regional books are excellent, this was the very 1st edition from over a decade ago. Woefully out of date and totally useless! If I could have seen an enlarged version of the graphic clearly (it became very blurred when enlarged) I wouldn't have purchased it.
