Bennett, Michelle : Relax: Australian Spa Retreats (Breathe) before purchasing it in order to gage whether or not it would be worth my time, and all praised Relax: Australian Spa Retreats (Breathe):

Relax offers a vast selection of Australia spa retreats in which to slow down and look after yourself. With detailed reviews, enticing photos and a beautiful design, Relax is a travel guidebook and armchair companion, providing inspiration to look after our most important asset ourselves. While the spa retreats range from the absolute lap of luxury to few-frills places, and everywhere in-between, the one thing the retreats all have in common is encouraging us to slow down and look after ourselves, to remember what it feels like to relax.
