Adam Gaffin : Relocating to Boston and Surrounding Areas: Everything You Need to Know Before You Move and After You Get There! before purchasing it in order to gage whether or not it would be worth my time, and all praised Relocating to Boston and Surrounding Areas: Everything You Need to Know Before You Move and After You Get There!:

24 of 25 people found the following review helpful. Perhaps 3.75 stars? By S. Shee Entertaining a move to Boston, I bought this book on a whim. It's a nice guide and will give you a general overview, but I wanted more meat. I suppose I'd be in a better position to judge had I actually moved at this point. It does give some nice information by neighborhood, so you could theoretically find a dry cleaner/coffee shop/hardware store your first week in town if you needed to. A little too much of the book (for my taste) was devoted to moving basics...like a packing timeline, etc. I already know this stuff or would consult UHaul if I didn't...I would rather have had more Boston info in the book. The writer clearly loves the city and is proud to share it, and isn't afraid to discuss the city's foibles (traffic, parking and high -- really high -- cost of living). If you're looking to move to Boston, I'd buy this in tandem with another book or two -- just to make sure you're getting everything you need.

0 of 0 people found the following review helpful. but a good starting point

0 of 0 people found the following review helpful. I would buy it again

By SA We bought this book prior to moving to Boston. We have never been to Boston and did not know a soul here when we moved. It has a good description of the neighborhoods and helped us pick a neighborhood to live in. It also having moving tips, which I wasn't interested in and things to do in Boston an surrounding areas. Also has a section on annual things/celebrations in Boston which is nice to know what to look for. Has a "What's Around Town" section on Museums, Galleries, parks, restaurants and things to do and even branches into the surrounding states. I think it is a well rounded book for someone who doesn't know the area at all. I would buy it again.

Everything You Need to Know Before You Move and After You Get There! Boston and its neighboring communities are among the most historic and cosmopolitan in the country. But moving there can be an overwhelming and expensive experience without the right guidance. This book gives you all the information you need to make the transition smooth and affordable, including: How to find a place to live?fast Where to look for a job How much it costs to live in the area Where to find the best schools in town How to choose a neighborhood you'll love What to do in and around Boston And much, much more! Bursting with information on everything from post offices, banks, and health clubs to restaurants and movie theaters, Relocating to Boston and Surrounding Areas will help you negotiate the city like a native on your very first day.
