Sara Bergan, Mark Ritchie, Beth Waterhouse, Okechukwu Ukaga : Renewing the Countryside: Minnesota

before purchasing it in order to gage whether or not it would be worth my time, and all praised Renewing the Countryside: Minnesota:

2 of 3 people found the following review helpful. Great book!By Tom SawyerThis book is great! Its a great coffee table book or a nice piece to briefly cover the topic of sustainability in Minnesota. It gives brief overviews of individuals and families that are incorporating community building and sustainability into their lives, business practices, business models, and architecture. My hat's off to the authors of this book and to the people whom made this book possible, the many subjects of this book.

Book by Joannides, Jan, Bergan, Sara, Ritchie, Mark, Waterhouse, Beth, Ukaga, Okechukwu
